## Footfall by Month

Figures shown below are calculated using monthly totals.

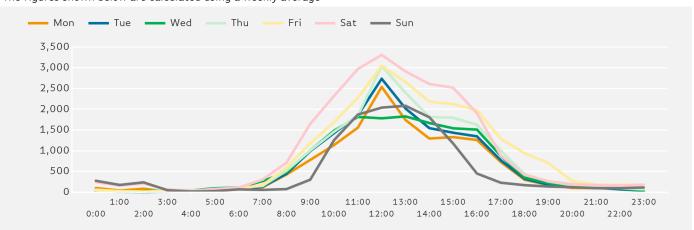

Springboard follows the BRC calendar consisting of complete weeks (Sun- Sat or Mon-Sun) to ensure that the same day is comparable each week. Each month is compiled from a set of full weeks which results in a calendar of a 4 week month, 4 week month, 5 week month pattern.

# Footfall - Rolling 12 Months

The figures shown below are calculated using weekly averages.

Year to Date % Change is the annual % change in footfall from January of this year compared to the same period last year. Year on Year % Change is the % change in footfall for this week compared to the same week in the previous year. Week on Week % Change is the % change in footfall for this week from the previous week.
